An act to amend Sections 32280, 32281, 32282, 32286, and 32288 of, to add Sections 32286.1, 32288.1, and 32289.5 to, and to repeal Section 32289 of, the Education Code, relating to school safety.

LEGISLATIVE COUNSEL'S DIGEST

AB 58, as introduced, Rodriguez. School safety plans.

(1) Existing law provides that school districts and county offices of education are responsible for the overall development of a comprehensive school safety plan for each of their constituent schools. Existing law requires the schoolsite council of a school to write and develop the school safety plan relevant to the needs and resources of the particular school. Existing law requires a schoolsite council or school safety planning committee, before adopting a school safety plan, to hold a public meeting at the schoolsite, as specified. Existing law requires schools to forward copies of their school safety plans to the school district or county office of education for approval. Existing law requires school districts and county offices of education annually to notify the State Department of Education regarding schools that fail to adopt a school safety plan.

This bill would revise and recast those procedures. The bill would require each school to adopt its comprehensive school safety plan by March 1, 2016, and to review and update its plan by March 1 of every 3rd year thereafter. The bill would require, no later than October 15, 2016, and every 3rd year thereafter, each superintendent of a school district or county office of education to provide written notification to

the Superintendent of Public Instruction identifying each school within the school district or county that has not complied with the requirement to adopt a comprehensive school safety plan. The bill would require certain school administrators to keep and maintain a copy of the most recent comprehensive school safety plan, as provided. The bill would require the department to monitor compliance with these provisions using an existing monitoring framework. By requiring school and local educational agency officers to perform additional duties, the bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

9 SEC. 2. Section 32281 of the Education Code is amended to  
10 read:

11 32281. (a) Each school district and county office of education  
12 is responsible for the overall development of all comprehensive  
13 school safety plans for its schools operating kindergarten or any  
14 of grades 1 to 12, inclusive.

15 (b) (1) Except as provided in subdivision (d) with regard to a  
16 small school district, the schoolsite council established pursuant  
17 to former Section 52012, as it existed before July 1, 2005, or  
18 Section 52852 shall write and develop a comprehensive school  
19 safety plan relevant to the needs and resources of that particular  
20 school.

21 (2) The schoolsite council may delegate this responsibility to a  
22 school safety planning committee made up of the following  
23 members:

36 committee.

37 (c) Nothing in this article shall limit or take away the authority  
38 of school boards as guaranteed under this code.

39 (d) (1) Subdivision (b) shall not apply to a small school district,

1 districtwide comprehensive school safety plan that is applicable  
2 to each schoolsite.

3 (2) As used in this article, “small school district” means a school  
4 district that has fewer than 2,501 units of average daily attendance

10 the principal ~~or the principal’s designee~~ may send to each pupil’s  
11 parent or legal guardian and each school employee a written notice  
12 of the occurrence and general nature of the crime. If the principal  
13 ~~or his or her designee~~ chooses to send the written notice, the

30 enforcement officials, elect to not have its schoolsite council  
31 develop and write those portions of its comprehensive school safety  
32 plan that include tactical responses to criminal incidents that may  
33 result in death or serious bodily injury at the schoolsite. The  
34 portions of a school safety plan that include tactical responses to  
35 criminal incidents may be developed by administrators of the  
36 school district or county office of education in consultation with  
37 law enforcement officials and with a representative of an exclusive  
38 bargaining unit of employees of that school district or county office  
39 of education, if he or she chooses to participate. The school district  
40 or county office of education may elect not to disclose those

1 portions of the comprehensive school safety plan that include  
2 tactical responses to criminal incidents.

3 (2) As used in this article, “tactical responses to criminal  
4 incidents” means steps taken to safeguard pupils and staff, to secure  
5 the affected school premises, and to apprehend the criminal  
6 perpetrator or perpetrators.

7 (3) Nothing in this subdivision precludes the governing board  
8 of a school district or county office of education from conferring  
9 in a closed session with law enforcement officials pursuant to  
10 Section 54957 of the Government Code to approve a tactical  
11 response plan developed in consultation with those officials  
12 pursuant to this subdivision. Any vote to approve the tactical  
13 response plan shall be announced in open session following the
