

## Renew Your LEP License Online

Renewing your license or registration is just a click away through the BreEZe online renewal system. Renewing online is convenient and helps avoid potential delays in the renewal process. Licensees and registrants must have a profile account on BreEZe to take advantage of online renewal. If you have created a profile account on BreEZe, you may access the BreEZe system through the Board's website at [www.bbs.ca.gov](http://www.bbs.ca.gov). Select the BreEZe button and follow the instructions.

Important Note: You may only renew ninety days prior to your expiration date.

If you have difficulty please call (916) 557-1208 or email [breeze@dca.ca.gov](mailto:breeze@dca.ca.gov).
